

Statement of Compliance

Product Number: EXACUBE (56UG, 66UG, 86UG)

Product Type ExaCube®

The manufacturer: Exa Networks Ltd
100 Bolton Road, Bradford, BD1 4DE, United Kingdom

Exa Networks Ltd declares that, in the opinion of the manufacturer, the product identified above complies with the applicable security requirements in Schedule 1 of the UK Product Security and Telecommunications Infrastructure Act 2022 and the related Regulations (PSTI Regulations 2023) for relevant connectable products.

Security updates will be provided for the full duration of the rental agreement. The manufacturer guarantees that for as long as the product remains under an active rental contract with the consumer, security updates will be made available and applied as required. Support will end only when the rental agreement is terminated and the product is returned.

This Statement of Compliance has been prepared by Exa Networks Ltd.
